ABHIJAY SRIVASTAVA

srivastavaabhijay1708@gmail.com | +91-8299334058 | linkedin.com/in/abhijay-srivastava-981565313

Incoming BBA (Digital Business & Entrepreneurship) student at IIM Bangalore who has run an end-to-end growth channel for a small business, pitched and structured a business idea from scratch, and operated across content, planning, and execution for large student-run events. Comfortable picking up ambiguous, cross-functional problems without a fixed playbook.

EDUCATION

BBA, Digital Business & Entrepreneurship | Indian Institute of Management, Bangalore *2026 – 2029*

B.Tech, Electronics (Instrumentation and Control) Engineering

Thapar Institute of Engineering and Technology, Patiala *2025 – 2026*

Class XII, PCM: 85% | Sheiling House School, Kanpur *2011 – 2024*

EXPERIENCE

Intern | BUDDTHEORY (plants & home décor business) *Feb – Apr 2026*

- Owned the business's content and social channel end-to-end from planning to publishing without oversight, taking reels from 0 to 30-40K views each and building out a carousel content system for the page.

Core Team, Media | Helix (TIET's annual tech fest)

- Coordinated coverage across multiple simultaneous events during the fest; one recap piece reached 11.3K views.

Media & Creative Department | Saturnalia 2026, TIET's cultural fest ("Rangrezza")

- One of a small number of first-years selected onto the team for TIET's flagship cultural fest.
- Contributed to the festival's strategic planning and execution deck, and independently produced the event's official aftermovie from concept to delivery.

Member | Thapar Venture Club

ENTREPRENEURSHIP

Finalist | TiE-UP (The Indus Entrepreneurs: Young Entrepreneurs Program) *Grade 11*

- Pitched an original business idea and advanced to the finals; received direct feedback from mentors.

Concept Development | Guide Edge: a concept for a platform to teach people content creation

SKILLS & INTERESTS

- AI-powered workflows: Claude, Higgsfield, Gemini (Veo 3.1) - used to generate and automate content production for event and business media work
- Execution tools: Figma, Canva, Adobe Premiere Pro
- Building foundational programming skills toward Google Summer of Code 2027 (Python, LeetCode, first open-source PR merged)
